TJ Schier Program Overview

Send Flowers to the Living! Moving Employees from 'Whatever' to 'Whatever it Takes'

Learn how to implement an effective strategy to reward, recognize and incentivize your staff to improve performance. This session presents tools and templates to implement contests and reward programs to help enhance service, sales, lower food cost and ultimately improve retention of good (and great) employees. The practical, tactical strategies to build employee loyalty and reinforce your business objectives include.

- Creating a recognition-based culture to increase retention.
- The most effective rewards, contests and incentives to reinforce your business goals.
- Implementation strategies to focus on keeping the employees getting better, not the ones getting by.

Don't wait until they leave, 'send flowers to the living!'
