

John Boyens Introduction

John Boyens has developed his expertise over 20 years in corporate America running sales and marketing for several Fortune 1000 companies. For the past eleven years he's been running his own sales and marketing consulting firm...the Boyens Group, which keeps him in demand as a guest speaker, facilitator, workshop leader and business consultant around the globe.

He has addressed thousands of business executives, franchise executives, sales, service and marketing people in a variety of formats, has authored several audio CD's and is currently writing his latest book, *Creating a Productive Franchising Zone*.

John is an active member of the National Speakers Association and the International Speakers Network and Sales and Marketing Executives International.
