

## **The O'Shea Report's Speaker Introduction**

We are excited to have Tim and Kris O'Shea here today to present their humorous program "Change 180."

Tim and Kris O'Shea are both familiar with the fast pace of the working world. They used to work in training, sales, and HR. But instead of going home at night, they went to their second job performing in theaters and nightclubs, and built their careers as comedy writers and performers.

They have presented at events along with presenters ranging from Ben Stein and Steven Covey to entertainers such as cast members from Whose Line Is It Anyway and Saturday Night Live.

Blending their unique backgrounds in humor and business, The O'Sheas now present to corporate audiences all over the United States and Canada, including such organizations as Nordstrom, Hewlett Packard, and Coors Brewing Co.

Here now to present a new way of looking at change, please welcome, Tim and Kris O'Shea.
