

Cheryl Cran Program Description

The Future of Work is Now – Are You Ready?

What will leaders and their teams have to do to thrive today and beyond to the year 2020? **Today's challenges include ongoing global change, technological innovation and changing workplace dynamics.**

Employee engagement, creating leaders for the future, attracting and retaining top talent are all elements that are rapidly changing and impacting the way we work and how we need to change to meet the challenges of the future workplace today.

This keynote will provide researched global business insights, thought provoking, creative, leading edge ideas and strategies on how leaders can take immediate action to increase team buy in, adaptability and execution NOW as we head towards 2020.

Cheryl's style is high energy and interactive, she presents relevant research and her presentations always have fun movie clips and music. Cheryl is well known for delivering the 'WOW' Factor. With Cheryl Cran you are guaranteed to have increased audience engagement, an audience that leaves with easy to implement ideas and are inspired to lead with 2020 vision to build the future workplace today.

- A look at the trends and technologies shaping the future workplace today
- Ideas for leaders and their teams to adapt their personality style and leadership style to the evolving workplace
- Tools to use to and the "how" to successfully engage the multiple generations in the workplace
- Insights into how leaders need to adapt to the ever-changing reality of worker attitudes and shifting attitudes on loyalty, job satisfaction and how work is done.
- Case studies and examples of progressive companies that are on the cutting edge of creating innovative workplaces and creating the template for the workplace of the future
- Strategies on how to get everyone on board with the overall vision, build excitement for the company's direction and create commitment and buy-in to taking action today and for the future.
