

TROY HAZARD

There are few situations in the business world that Troy Hazard has not experienced and survived – from massive financial loss to stunning success. A serial entrepreneurial, who has founded and nurtured eleven businesses over two decades, has been a few days from bankruptcy, has turned around businesses that were making enormous losses and has consulted to countless successful companies over the last 20 years.

Through his business career he has owned a diverse range of businesses including a recording studio, an advertising agency, a pizza outlet, real estate brokerage, property development company, leading franchise consulting business, and a technology business.

These business talents earned him international respect, so much so that he was elected by the worlds foremost business leaders for the role of Global President of the Entrepreneurs' Organization, a role he says was one of his greatest challenges. www.eonetwork.org

It's this same experience that gives Hazard such great value as a Certified Speaking Professional (CSP) and as the host on the hugely successful national network business television shows in Australia 'Inside Franchising' and 'Don't come Monday'.

He is also a regular business commentator on the CBS Talk Radio Network and the Business Talk Radio Network broadcasting to 1.5 million radio listeners, and the Business Television Network and the American Life Network into 35 million cable TV homes each week in the United States.

He now has his own business talk TV show, 'Gettin' Down 2 Business' airing in the USA on the BIZ TV Cable network into 20 million homes each week 9pm EST.

Troy's lessons from the edge provide businesses with potent and refined tools, a collection of which you will find in his Amazon bestselling business book, *'Future-Proofing Your Business' – real life strategies to prepare your business for tomorrow, today!*
