

## Greg Nathan Room Set Up Preferences & AV Requirements

**We believe that the real power in franchising can only be unleashed if franchisors and franchisees are prepared to openly share their knowledge and experience.**

The best sharing will typically take place in meetings and conferences which are conducted in a relaxed and constructive environment using carefully designed facilitation techniques. Through years of experience working with hundreds of franchise systems Greg Nathan and the team at Franchise Relationships Institute have developed a number of interactive sessions that engage people in a structured way and which are guaranteed to improve the effectiveness of your franchise meetings and conferences. Using a combination of dynamic presentations and facilitated sessions, Greg Nathan and his team have been inspiring and educating franchisee and franchisor groups around the world on how to build profitable partnerships and tap into the collective intelligence of the group.

### **AV/Room Set-Up Requirements for Training/Workshops**

- **MICROPHONE:** For groups over 30 please provide a wireless lavalier microphone. If one cannot be obtained, a wireless handheld is an alternative. No cord, please.
- **SOUND:** Greg will need to tie into the house sound system. Please ensure that there is a working speaker system.
- **ROOM SET-UP:** Preferred set up would be rounds, 6-10 per table.
- **FLIP CHARTS:** Please provide a minimum of two flip charts on easels at the front of the room with a supply of extra thick black markers.
- **LCD PROJECTOR & SCREEN:** Please provide an LCD projector and a large screen.
- **PODIUM:** No podium required, thanks
- **TABLE:** Greg will need a small table at the front of the room for laptop, notes and books.
- **LAPTOP:** Greg will bring his own laptop or provide the program on a memory stick.
- **LIGHTS:** House lights should be up as full as possible.
- **WATER:** Please provide a couple bottles of water.
