### **Be ALL In – Getting To 100%**

Franchises that are thriving are able to develop a culture of ownership, engagement, and fun. A recent Gallup Poll stated that 70% of employees in the US are disengaged at work. Of those, 20% are "roaming the halls spreading discontent." Most of us are holding back from total engagement, but once we see the benefits of being "All in" and learn ways to cultivate that in our employees, the magic starts to happen and success is the result.
