

## **Robyn Benincasa Introduction**

Robyn Benincasa is a World Champion Adventure Racer, a San Diego City Firefighter, a New York Times Bestselling Author and even a CNN Hero—so she definitely knows a thing or two about building world class teams that succeed against the toughest of odds. She and her teammates have a resume a mile long with all of their accomplishments, and I could go on and on about her, but let's introduce her the FUN way, and see her in action (video rolls, stay on stage, then....) LET'S WELCOME ROBYN
