

Cheryl Cran Franchise Testimonials

“Cheryl your keynote on leadership including the generational impact on the future of work was right on target! We had many of our attendees come up and say that your keynote was relevant, timely and full of practical ideas. They also found your delivery insightful and humorous. Our executive team loved you too! On behalf of McDonalds – thank you!

“Cheryl your session for our senior leadership team on leadership of the future, strategies on how to recruit, retain and engage talent was right on the money for us. The sections on innovation and creativity were relevant to the business and us. The unanimous feedback from all of our leaders was that you were the perfect choice for our annual strategic meeting.
