

Jason Hewlett - Intro:

“Our next speaker, Jason Hewlett, will address two questions:

1. Why set a goal when we can make a promise?
2. And what promises are we keeping?

He’s delivered hundreds of presentations around the world – performed in every major casino in Las Vegas – and is the author of the Facebook post entitled, “I Saw My Wife at Target Today”, which has been seen by more than 100 million people. His talk will touch both our minds and our hearts today.

Ladies and Gentlemen...Jason Hewlett!”
