"Andy, that was a excellent session. Just what our managers needed. Great content, interaction, humor, and meaningful moments. You received higher evaluations than other keynote speakers we've hired at two to three times the cost. Keep up the great work-"

"Hi Nancy, I work for CCA Global Partners and Andy spoke at our conference in Phoenix last week. I was fortunate enough to be asked to introduce Andy for his session. Having sat through many conference sessions in my time, I can tell you he was a huge hit with our audience. Everyone I spoke to loved the session, and

those who heard were disappointed they were unable to attend. I personally took a lot from it, too, and I'm enjoying his book. Please pass my thanks along to Andy."

UNITED COUNTRY REAL ESTATE - ANNUAL CONFERENCE KEYNOTE 2X

"Andy delivered exceptional value for us. He did his homework, helped market our event, and truly connected with our audience. He gave them confidence and a plan to be more successful in both their personal and professional lives. As an event manager for over a decade, I can truly say he was fantastic on every level from beginning to end.

He is by far one of the best speakers I have ever worked and will definitely be considered for future events."
