

Anton Gunn Introduction

Our speaker today is a former senior advisor to President Barack Obama and a national expert on Socially Conscious Leadership. Fierce Healthcare recently named him as one of the Ten Most Influential Minority Executives in Healthcare.

He is a graduate of the University of South Carolina where he played SEC football for the Gamecocks and earned a master's degree in Social Work. He was also a Resident Fellow at Harvard.

He is the bestselling author of The Presidential Principles and has been featured in TIME magazine, The Wall Street Journal, Inc Magazine, and on Good Morning America. As an international keynote speaker and management consultant, some of his clients include renowned organizations like Mercedes-Benz Vans, KPMG, T-Mobile, Aetna, Emory Healthcare, and The Boeing Company.

His presentations challenge people to think differently, act differently, and turn their workplace culture from worrisome – to world class!

When he's not speaking to audiences like ours, he can be found listening to hip hop music or cheering for his daughter's softball team, but never at the same time.
