

BILLY ANDERSON INTRODUCTION

Billy Anderson is an international speaker, leadership coach and author of *"Your Comfort Zone Is Killing You"*.

Previously, Billy was an advertising manager in Europe and Canada, a fundraising director for UNICEF and a sugar cane farmer in Costa Rica. He also spent 10 years leading wilderness trips for Outward Bound.

Billy continually steps out of his comfort zone to test his courage. He has jumped out of an airplane 101 times and has traveled to 40 countries including running with the bulls in Spain.

And he's scared of the same things as everyone: failure, looking stupid, and not being liked.

Please welcome to the stage – **Billy Anderson**.
