

Chef Jeff Henderson Speaker Intro

I'm excited to introduce our speaker today, Chef Jeff Henderson. Chef Jeff discovered his calling in the most unlikely place-prison. It was where he was introduced to culinary arts and developed his passion for cooking. Today he has completely turned his life around and serves as a role model and voice for self-transformation.

Chef Jeff made history as the first African American Executive Chef at Caesars Palace and the Bellagio. He is the creator and former star of the Food Network's reality series, The Chef Jeff Project, host of Flip My Food and a New York best-selling author. His story was featured on Oprah's Life Class, Good Morning America, Today Show, CNN, ABC News and in major publications such as USA Today, People Magazine, New York Times, and many others.

From overcoming hardship to identifying one's talents, Jeff reveals his hard-knock yet transformative life lessons to help others rise above and realize their potential.
