

Simon T. Bailey Program Description

LEADERSHIP & PERSONAL DEVELOPMENT

Brilliant Living – Own Your Future

Sometimes happiness is where you are. Sometimes happiness is elsewhere. Wherever your calling may be, Brilliant Living dares you to pursue your dreams.

Simon's role is to help you grab the steering wheel. You'll be given a guide to assess the eight traits of being your most brilliant self. Using the lessons learned from working with 1,500 organizations over the past 15 years—and Simon's personal moments of reinvention—you'll be nudged to live life on your own terms, make a change, and do something exceptional.

The choice is yours: Be average—or dare to be brilliant.

For people ready to instill change and passion in their organization, peers, and life.
